

ECO - European Congress on Obesity

CURRENT OPINIONS IN OBESITY JOIN THE DEBATE!

Friday 6th May 2022; 13:30 – 15:00 CET

AUDITORIUM 1 and on the Zoom Forward 22 platform

Challenging beliefs and perspectives – a five-way debate on obesity management

Be part of a lively discussion as our
expert panel share perspectives on:

- Overcoming stigma and bias
- Best practice approaches to holistic care
- How to treat effectively over the long term
- The future role of bariatric surgery in obesity treatment
- The impact of newer therapies on outcomes

- Susie Birney
- Karine Clement
- Stephan Jacob
- Carel Le Roux
- Arya Sharma

Facilitated by Lloyd Bracey
